We're hiring recent college graduates to help win campaigns with Environment America. Over the course of the two year program, you can have a real impact on critical environmental issues. Environment America Fellows work directly with some of the top environmental advocates and organizers in the country. And, our Fellowship Program gives recent college graduates the training and experience to take on leadership roles in the environmental movement for the long term.</p> <p>http://www.environmentamerica.org/jobs/available-positions/fellowship-program</p>	Until Filled
<p>EarthJustice</p>	<p>Policy and Legislation Internship</p>	Rolling

<p><i>Juniors, Seniors</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Washington DC</p>	<p>Policy and Legislation (PAL) is comprised of environmental lobbyists and advocates who work with members of Congress as well as other environmental groups to protect and strengthen the same environmental laws Earthjustice defends in the courtroom. The PAL intern assists in various tasks including online research, attending congressional hearings and coalition meetings, preparing and disseminating information to Congressional offices, making phone calls to hill offices, website and action alert updates, maintaining our database of Congressional votes and staff members, drafting and editing policy documents and fact sheets, and other assorted tasks. There are also opportunities for short or long-term research projects on a variety of issues, depending on the intern's interests. Through the internship, the intern will learn how a non-profit environmental organization weighs in on environmental policy at the federal level, and gain considerable insight into congressional procedures, the policy process, environmental nonprofit lobbying and advocacy strategizing, and associated communications and outreach.</p> <p>http://www.earthjustice.org/about_us/jobs_education/jobs/policy-and-legislation-internship.html</p>	
<p>Friends of the Earth</p> <p><i>All Levels</i></p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Washington DC</p>	<p>Grassroots Volunteer Intern (unpaid)</p> <p>The D.C. Environmental Network (DCEN), spearheaded by the national environmental group Friends of the Earth, seeks a volunteer grassroots intern to assist with the activities and campaigns of DCEN. The intern will work with DCEN's Grassroots Coordinator and Director to carry out local campaigns and events contributing to the growth of DCEN and leading to improvements in quality of life for all District of Columbia residents. Major Responsibilities: Identify, develop and lead new and exciting issue campaigns. Conduct outreach to non-profits and community groups to expand membership of the Network. Help organize volunteer opportunities and events including monthly luncheon highlighting local environmental issues. Conduct outreach to D.C. area colleges and universities, establishing a connection to relevant professors and campus groups, and involving them in local efforts. Assist in the development and procurement of DCEN campaign materials, including pamphlets, display materials, etc. Serve as an additional contact for community members and Network member groups. Assist with individual information requests</p> <p>http://action.foe.org/t/943/content.jsp?content_KEY=4116</p>	Until Filled
