Environmental Sciences/Research

<p>Cornell Univeristy</p> <p>Seniors</p> <p>Location: NYC</p>	<p>Human Dimensions of Natural Resources -Announcement of Assitantship Opening</p> <p>This project is a unique opportunity to work on a Human Dimensions of Natural Resources project focused on urban and community forestry. The purpose of this social science research and education project is to work with residents and community organizations to develop, implement, and evaluate an urban forestry community engagement model that will be used by organizations to reach and empower people to be active stewards of their community's trees and natural resources. The assistantship project will entail working collaboratively with the Cornell University Cooperative Extension-New York City as well as NGO and agency project partners. The assistantship includes tuition (\$10,400), health insurance (\$1,625), and a monthly stipend (\$21,400) for a total value of \$33,425.</p> <p>www.human-dimensions.org</p>	<p>4/15/2009</p>
<p>Green Peace</p> <p>Seniors</p> <p><u>Date:</u> Flexible</p> <p><u>Location:</u> Amsterdam Netherlands</p>	<p>Internship Research (Paid)</p> <p>Research internships are full-time positions (40 hours per week) for a fixed term of 6 month and include early morning, late night and weekend shifts. Remuneration is via a modest monthly honorarium (€ 800). Monitor, capture, filter and organize media information and market intelligence into databases for briefs and reports to ensure strategic information is available for Greenpeace's campaigns and projects. This role is very detail orientated, involves multiple concurrent daily deadlines and administrative tasks within the research unit. Must be fluent in written and spoken English plus must have written and spoken fluency in at least two of the following languages: Spanish, French, Portuguese, Mandarin/Cantonese, German, Arabic, Russian, or Japanese.</p> <p>http://www.greenpeace.org/international/about/jobs/internship-2</p>	<p>Rolling</p>
<p>Field Works/Conservation</p>		
<p>Nature Conservancy</p> <p>Seniors</p> <p><u>Location:</u> Kissimmee, FL</p>	<p>Program Assistant (Entry-Level)</p> <p>The Nature Conservancy is the world's leading conservation organization, working in all 50 states and more than 33 countries. This position provides a full range of administrative and/or program support to the Disney Wilderness Preserve, in Kissimmee, FL. These functions may involve various office tasks including some or all of the following: answering phones, sorting/distributing mail, maintaining equipment, ordering supplies, working with vendors, drafting correspondence, maintaining logs and costs, organizing and filing. This may also include handling inquiries about operating unit activities, assisting in the development of fundraising, communications and/or educational materials, conducting program data research and/or producing narrative or financial reports as needed.</p> <p>http://www.nature.org/careers/work/art24244.html. Job ID: 11001</p>	<p>4/5/2009</p>
<p>Nature Conservancy</p> <p>Sophomores, juniors, seniors</p> <p><u>Date:</u> 6/ 22– 8/ 28, 2009</p> <p><u>Location:</u> West Haven, VT</p>	<p>Water Chestnut Field Coord., TNC-Vermont (AmeriCorps position)</p> <p>The Nature Conservancy's Vermont Chapter seeks to fill a fulltime, seasonal position with an AmeriCorps member interested in a quartertime service opportunity. This position is offered through an AmeriCorps network called the Vermont Community Stewardship Program (VCSP), a project of the Vermont Housing and Conservation Board (VHCB). Members in this program make a commitment to perform services related to either conservation of natural resources or housing advocacy for non-profit organizations around the state. This is an excellent opportunity to learn about conservation, gain experience in invasive plant irradiation, and to work in beautiful nature areas at the southern end of Lake Champlain. Compensation: Living Allowance: \$3,456 and Education Award: \$1,250</p> <p>http://www.nature.org/careers/work/art24244.html Job ID: 10952</p>	<p>4/3/2009</p>
<p>Passaic River Coalition</p> <p>All levels</p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Morristown, NJ</p>	<p>Summer Internships (Paid)</p> <p>The Passaic River Coalition (PRC) needs three interns this summer for 10 weeks. One intern will help sort through a 40-year collection of resource materials and set up the library in our new, historic Morristown, New Jersey Headquarters, another will work on buying and preserving open space with the Land Trust Director; and a third will work on general environmental issues with other PRC staff, including the Executive Director. The latter will likely be particularly involved in identification of flora and fauna on two PRC properties. There will be some attendance at meetings and forums and writing of summaries. There will some visits to PRC-owned properties to post signs. One intern will update the land trust data base. The pay is \$2500 for the 10-week period, beginning June 1.</p> <p>www.passaicriver.org/internship.html</p>	
<p>Student Conservation Association</p> <p>All levels</p> <p><u>Date:</u> Summer 2009</p> <p><u>Location:</u> Multiple Locations</p>	<p>Community Crew Leaders (Paid)</p> <p>The Student Conservation Association (SCA) is currently accepting applications for Commuting Crew Leader positions in CT; PA, IL,CA, WA, NJ,WI,TX,MI, MA and FL. Crew Leaders will train and lead youth to complete much needed conservation service projects in communities and community parks. Leaders also facilitate outdoor education activities. Leaders will also complete pre- and post- program planning which includes crew training, education and reporting. Minimum 21 years of age.</p> <p>http://www.thesca.org/</p>	<p>Until Filled</p>
