**Info for summer IAU applicants**

- IAU offers various summer courses in Aix-en-Provence, France. Students can find out more info about IAU summer courses at [http://iaufrance.org/Programs?SummerPrograms](http://iaufrance.org/Programs?SummerPrograms). If you decide to apply, you will fill out an application online at [http://www.iaufrance.org/MyIAU/Register](http://www.iaufrance.org/MyIAU/Register). The deadline for applying is April 15th.

- There are several summer options:
  - 3 credit/3 week intensive French language for all levels and fine arts electives (June 4 - June 22 and or June 25 - July 13)
  - 6 credit/6 week liberal arts and studio arts (June 4 - July 13)
  - 9 credit/6 week liberal arts and studio arts (June 4 - July 13)

- The 3- and 6-week options enable students to choose from courses in archaeology, art (painting and drawing, sculpture, arts management, architectural design, photography), creative writing, French language and literature, history, peace studies, politics, and psychology. Students interested in the 3-week intensive French language or Fine Arts elective will enroll at the School of Humanities and Social Sciences.

- Students on the 3-week Aix program will take one course and will earn 1 HWS credit. The course can either be a French language course or a course in English. Students on the 6-week program will take two courses in either French or English or a combination of both and will earn 2 HWS credits. **Note that courses taken in the summer will count towards your HWS gpa (unless you arrange to take a course credit/no credit) and will appear on the previous spring’s transcript.**

- The program fees are attached and include tuition, housing, continental breakfast every day and six evening meals per week, activity fee, orientation, textbook rental, health, liability and repatriation insurance, excursions, and scheduled cultural activities. Additional costs students will incur are round-trip airfare, lunches, and personal expenses.

- The minimum gpa is 2.5, with no prior French required.

- Students live in homestays and receive partial board.

- Once you have applied online you will receive an email from IAU with three attachments you need to complete: a Professor Recommendation form, a Certification and Personal Preferences form and an Academic Approvals form (which needs to be signed by your academic advisor and by Sharon Walsh at the Center for Global Education.). You will need to send these to IAU by mail along with a copy of your transcript. The professor recommendation can be returned to you if it is in a sealed and signed envelope. The professor can alternatively send it directly to IAU if they wish.

- HWS students do not need to pay the $85 application fee. This has been waived for our students.

- Once you have confirmed your acceptance of a place on the program with IAU, they will invoice HWS and we will bill you.

- The CGE has a limited amount of funding available for students in financial need. Please pick up a funding application from the CGE if you are interested in applying for this funding. You will need to apply to CIEE, be accepted by them and hand in your acceptance letter along with the funding application before the funding deadline of November 15, 2013 to be eligible for CGE funding.

Any questions? See Sharon Walsh at the CGE in Trinity 306, [walsh@hws.edu](mailto:walsh@hws.edu)
