Connecting to HWS-Private
iOS devices

To connect using iOS:
1. Enter the Settings application on your device and go to the Wi-Fi section
2. Tap HWS-Private to connect to the network
3. When prompted, enter your HWS username and password
4. When prompted, accept a certificate from wireless.hws.edu

Once you accept the certificate, your device is now configured.

If you require assistance with any of these steps, please contact the Help Desk at (315) 781-4357.
