Students selected randomly by the Department of Education or by our office for verification who have filed a tax return must submit proof of income to the Office of Financial Aid by using one of the two following methods. These steps will need to be completed for both parent(s) and student, if applicable.

1. **New federal guidance provided on 4/24/2017 now allows the acceptance of the signed 2015 Federal 1040 for 2017-2018 FAFSA verification purposes***. Refer to the [Proof of Income](#) form for detailed instructions.

2. You may order your 2015 IRS Tax RETURN Transcript (not a tax account transcript) from the IRS website at [www.irs.gov/Individuals/Get-Transcript](http://www.irs.gov/Individuals/Get-Transcript). Follow their instructions to get your transcript mailed to you; allow 5-10 business days. Do not use the 3rd party option for forwarding a transcript to the school’s address. Transcripts will be sent to the address listed on your 2015 tax returns. You will then need to send us a copy of all pages, front and back, via fax, scan and email, or postal mail. **Married couples who filed separately must request a transcript for each parent and submit them both to our office.**
