READER’S COLLEGE

INSTRUCTIONS AND PROCEDURES FOR NEW READER’S COLLEGE COURSE PROPOSALS

Below are instructions and procedures regarding the process for getting new Reader’s College courses approved. Please read this information thoroughly before filling out the form.

I. The Committee on Academic Affairs will only consider proposals submitted on Reader’s College course proposal forms.

   A. Complete Sections A, B, and C. For non-credit course proposals, answers to Section B will not be weighed as heavily as they would be for ½-credit courses. Section D will be completed by the COAA after action is taken on the proposal. BE SURE ALL APPROPRIATE SIGNATURES APPEAR ON THE FORM before submission. All proposals must be completed electronically or typed out. Submit completed form to the Registrar.

   B. After the Registrar has determined that all necessary information and signatures are included, he proposes the new course to COAA for review.

II. Administrative procedures following COAA action.

   A. The COAA acts on the proposal and the Registrar records the action.
   B. The Registrar then sends photocopies of the proposal with a report of the Committee's action to the instructor of the course and Provost Office. NOTE: Approved proposals will have the chair of COAA's signature. See Section D of course proposal form.

III. Procedure following course approval.

   After the course is approved, the Registrar’s Office will load the course and the course description into the Student Information System/PeopleSoft Student and Faculty Self Services.
