The Major Audit Form is to be completed prior to entering the baccalaureate year to provide a specific plan for completion of the requirements of the major. It is one of three forms comprising the Baccalaureate Plan which is part of your permanent academic record.

**Environmental Studies BA**

At least 6 courses must be unique to any major. All courses for the major must be completed with a grade of C- or better. A "tools" course cannot also count as an ES core or elective. Careful selection of ES courses in consultation with an advisor will allow students to define a focus, and perhaps a double major in a discipline.
