

Students who are interested in living at The Village at Odell's Pond are asked to complete the application below and return it to the Office of Residential Education by 5:00pm on Friday, April 3rd.

Housing in Odell's units is limited to rising juniors and seniors. All-senior units will be filled prior to mixed units of seniors and juniors. As there are a limited number of 5-person units available, students with 5 people in their group should be prepared to form a 4 person group or take part in another selection process.

If applying as a group, each group will use the lowest lottery number of the individuals on each application to select a specific unit. **Only one representative from each unit is needed to attend the Odell's Selection on Tuesday, April 7th (6:00pm seniors only, 7:00pm seniors and juniors mixed, 7:15pm junior only) in the Vandervort Room.**
