## Chemistry BS (with CHEM 190) disciplinary, 14 courses

At least 6 courses must be unique to any major. All courses for the major must be completed with a grade of C- or better. Courses taken for CR/NCR may not be used toward the major. Students who enter HWS with credit for MATH 130 will be required to take another MATH class (above 131) or PHYS 160 to replace this requirement. Only one semester of research (450 or 495/496) may count toward the major.
