Dear Hws Faculty and Students,

Thank you for letting us have  
a fantastic field trip at your fantastic  
Colleges. I learned how to say some words  
in two different languages, Russian, Mandarin. I  
learned how to say you welcome and  
thank you in mandarin. I also learned how  
to say what is your name in  
Russian. My favorite part was when we  
made the seed bombs because I liked  
making the clay into the round  
circle. I had a great time at your  
colleges!!!!

Dear HWS Faculty and Students

Thank you for letting us visit the Hobart and William Smith Colleges. It was fun going there. I like the second center of the games and the books were exciting. The library was large. I loved this field trip. My favorite part was when we went outside and took a picture of the all second grade students. Thank you for a field trip to see the HWS Colleges.
