Well you **ACT** white
No but what are you really
Only white people eat cheese like that
pulling it apart into strips
That's how white people eat
touching their food all over

Why did you cut all your hair
off when you had such
GOOD
hair!
You could have given it to **ME**
instead of wasting it.

Get out of my way **BITCH!** I'll hit you in the face
with this basketball!
(She hits me in the face with the basketball.)
She was blockin me!
I told her to get out of my way and let me make a
shot!
(But that's the game. It's basketball.)
Whatever bitch. High yellow **BITCH.**
(Wait but—)
Good hair miss high yella black America **BITCH.**

Who's the white one?
Your mama or
your daddy?
